DOMES REGULATIONS

- No chewing gum in the dome
- No spitting inside the dome.
- Food is not permitted outside the dining room.
- WATER is the only beverage allowed for consumption on and within the track ring.

It is essential to understand that we cannot accept responsibility for the theft or loss of personal items. To mitigate these risks, we are introducing a thorough access control system within the dome. This system is designed to prevent unauthorized access to the dome. However, despite our diligent efforts, no security system is entirely infallible. We thus recommend that coaches remain cautious and vigilant, and we encourage athletes to minimize their personal items during competitions.
